COMMUNITY

Equipped to Serve

Equipped to Serve is a workshop event on January 20th from 3-7pm right here at Mt. Rubidoux. This workshop event is for all local church ministry leaders in SECC. The available seminars will cover most ministries in the local church. We hope you will attend to get new ideas, learn about available resources or just to be inspired! A light supper will follow the seminar. For information and registration go to www.facebook.com/seccadventist or call the church office.

Confidence Building Workshop

If you are a parent, grandparent, academic or Sabbath School teacher or have regular interaction with children, this workshop is for you! This program is hosted by Kansas Ave Youth Department and will be presented by Lauren Eaton. It will breakdown what confidence is and how it is used, how to empower the children in your life to have more of it and how it relates to Christianity. The program will be in the Kansas Ave SDA Sanctuary at 4pm on January 27th. There will be simultaneous programs held for the youth in the Youth Room and Junior classroom. Please come ready to take notes. If you would like to attend, please RSVP no later than January 20th by emailing laurencrystaleaton@gmail.com.
